COMPANY INFORMATION
NAPA Echlin is the quality standard for engine management parts. We design, specify and manufacture engine management products with only one goal: to make them the very best.

CATALOG
The NAPA Echlin catalog allows access to thousands of engine management products from ignition components to fuel injection components.

PRODUCT SPOTLIGHT
Feature rich products get the recognition they deserve! NAPA Echlin is focused and committed to developing quality products. See them for yourself!

TECH TIPS
Need help with an installation? Our tech tips come straight from the pros so you know they'll work every time! Save yourself time and frustration to get the job done.

DID YOU KNOW?
Let us keep you informed. Check out this section to get tid bits and information on various known issues, tools and products.

VEHICLE MAINTENANCE
Ever wonder why that engine light goes on and what to do about it? We've got the answer to that and other questions. Get your vehicle in top shape!

THE CLEAN PLAN
Keeping fuel injectors clean takes a team approach—you and a trusted service technician. See why the Clean Program will keep a vehicle running smoothly all year long.

FUEL TEST KIT
With the Pro-Clean fuel injection kit you can clean and test more fuel injectors faster than with any other kit. You'll do a better job with complete customer satisfaction.
