**COMPLETE
KIT**

Complete service solution kits, including Coil Kits, VVT Kits, Blower Motor Resistor Kits and Cam Sensor Kits

**NAPA® ECHLIN®
RELIABILITY**

A more reliable, better performing service kit

NAPA® Echlin® delivers complete service solution kits

Heavier-Duty Coil Multi-Pack Kits:

Popular Heavier-Duty Ignition Coils are available in multi-packs for a complete coil service – import and domestic

VVT Solenoid Kits:

Kit includes two new premium Solenoids with quality O-rings and gaskets to help prevent oil leaks

VVT Service Kits:

Everything needed for a complete job – solenoids, sprockets, timing chain, guide, tensioner, arm, seals, crankshaft wheel, and gaskets

Blower Motor Resistor Kits:

Direct-fit Blower Motor Resistor and problem-solving hi-temp connector that withstands extreme temperatures

Camshaft Sensor Kits:

Kits include premium Cam Sensors along with needed connectors to replace worn or damaged originals

Knock Sensor Kits:

This professional, time-saving repair solution includes two Knock Sensors and a high-quality harness

ECHLIN®

LOOKS RIGHT. FITS RIGHT. PERFORMS RIGHT.
