NAPA® Echlin® Turbocharger Testing and Warranty

In the lab and on vehicles, all NAPA® Echlin® Turbochargers are rigorously tested for performance. NAPA® Echlin's testing procedures include hot gas stand testing and burst test validation to ensure structural integrity for durability. In fact, NAPA® Echlin® Turbochargers are 100% end-of-line tested through the full RPM range. That's why all NAPA® Echlin® Turbocharger Kits come with a 3-year / 36,000-mile limited warranty.
