

**ECHLIN®****TEMP****TECH TALK**

Exclusive to NAPA® Auto Care Centers, Tech Talk Training Sessions are geared toward providing technicians with the latest information on diagnostics and repair.

These live, interactive training sessions are available at no charge to anyone who works in a NAPA® Auto Care Center. Tech Talk Training sessions will be hosted at both 12:15 Eastern and Pacific to make it easier for your shop to attend. Our professional trainers will be presenting and will be available to answer any questions in real-time. Below is a list of upcoming training sessions:

2023 NAPA® Echlin® Tech Talk Schedule

Thursday, August 24	12:15 PM Eastern 12:15 PM Pacific	Ignition Coils and Cam/Crank Sensors
Thursday, October 12	12:15 PM Eastern 12:15 PM Pacific	HVAC – Behind The Dash
Thursday, December 7	12:15 PM Eastern 12:15 PM Pacific	Winter Tune-up Tips

To register for your next training session, and watch earlier sessions visit
NAPAEchlin.com/TechTalk

Win a trip to the NAPA® Echlin®/ NAPA® Temp Training Center. See back for details.

Everyone who attends a live “Tech Talk Training Session” is automatically entered to win an all-expense paid trip (travel, hotel, meals and 2 days of training) to the NAPA® Echlin® / NAPA® Temp Training Center in Dallas, Texas. 10 separate winners will be drawn after the December sessions

Don’t forget about the NAPA® Echlin® Jump-Start promotions available through **NAPAProLink.com**
