## **Echlin® and NAPA® Temp Release New Numbers in 35 Categories**

NEW YORK, N.Y., July 8, 2025 – Echlin® is pleased to announce that it has released new part numbers across 35 product categories in Q2 of 2025. This includes new applications from NAPA® Echlin® and NAPA® Temp. New coverage for late-model import and domestic vehicles was added across multiple powertrains.

Demonstrating an ongoing commitment to advanced internal combustion engine (ICE) technology, Echlin® has released new applications in a variety of key categories including variable valve timing, turbocharging, emission controls and more. Echlin® has also expanded coverage in growing, powertrain-neutral categories including Park Assist Cameras for popular import vehicles like the 2021-17 Honda Civic, and 2022-20 Toyota Corolla, and Tech Expert® Active Grille Shutters for 4.3 million Stellantis vehicles as well as the 2023-21 Nissan Rogue, 2021-18 Volkswagen Jetta, and 2024-21 Toyota Sienna. New coverage also includes ABS Speed Sensors for 4.5 million vehicles including the 2025-20 Ford Explorer, 2025-20 Nissan Sentra, 2023-21 Kia Sorento and more. Power Door Lock Actuators have been added for popular vehicles like the 2022-13 Toyota Prius and 2025-18 Volkswagen Atlas. In addition, Multi-Function Connectors have been added for over 46 million vehicles. Additional Echlin® categories that see expansion include MAP Sensors, Engine Oil Coolers, Door Latch Assemblies, Oil Pressure Gauge Switches, Turbocharger Kits, Vapor Canister Purge Valve Hoses, Variable Valve Timing Actuators and more.

New numbers from NAPA® Temp include 22 new Hose Assemblies, adding coverage for over 1.8 million import and domestic vehicles. This new offering includes Suction and Liquid Lines for popular vehicles like the 2023-22 Hyundai Palisade, 2023-20 Hyundai Sonata, and 2024-19 Genesis G70. Aluminum Heater Cores have also been added, covering the 2021-16 Mazda CX-3 and 2020-17 Toyota Yaris. Parallel Flow Evaporator Cores are new for the 2022-15 RAM ProMaster City, and Idler Pulleys have been added covering more than 1.1 million vehicles, including popular Honda and Acura cars.

All new applications are listed in the catalogs found at [NAPAEchlin.com](https://www.NAPAEchlin.com) and [NAPATemp.com](https://www.NAPATemp.com) and in electronic catalog providers.

### **About Echlin®**

Echlin® engineers and manufactures top-quality ignition & electrical, emissions, fuel, wire, power management, sensors, safety-related systems components and more for import and domestic vehicles. This full line of premium automotive products includes diesel components, turbochargers, TPMS, VVT, ADAS and thousands of sensors and switches. NAPA® Echlin's line of high-quality parts are unrivaled for their superior quality, original match and comprehensive coverage.
