

HIGH TEMPERATURE HEADLIGHT HARNESS ASSORTMENT (KIT1)

Tech Expert's headlight harnesses feature a high-temp connector to prevent melting and part failure, 14-gauge wire for better conductivity, and a "plug and play" fit for easier installation.

TECH EXPERT™ KIT1 HIGH TEMPERATURE HEADLIGHT HARNESS ASSORTMENT:

New updated technician tackle box, new connectors and torch gun with heat shrinks.

Starts February 17, 2017. Only available in the United States while supplies last.
